[4] AFM = Revision of Flight Manual, AMM = Revision of Maintenance Manual, -Sup = New supplement to AFM / AMM

Section E: Notes

1. For countries not listed in the tables the owner/operator of the aircraft has to check the applicability of the respective Manual/Service-Bulletin/Service-Info based on the national legal regulations.
2. Mandatory and recommended Service-Bulletins or Service-Information has to be followed by the owner/operator of the aircraft. Non-compliance leads to exclusion of any liability.
3. The applicability of Revisions or Supplements to approved manuals (Flight / Maintenance / Repair) depends on the configuration of the aircraft and has to be checked for each individual serial number.
