Technical Note
No. 2

Alexander Schleicher
Segelflugzeugbau
6416 Poppenhausen

Subject : Installation of a nose hook.

Effectivity : Glider ASK 18

Accomplishment : Installation is optional

Instruction : The installation has to be made after drawing L - 307. 11 - S16

Material : See notes at the drawing.

Weight and balance : To be neglected

Remarks : The modification had to be made due to a special requirement of the french SGAC and is considered in general only for new gliders.

Poppenhausen, 16. 3. 76.
