ASW 20 C
Technical Note
No. 32

Alexander Schleicher
Segelflugzeugbau
6416 Poppenhausen

Subject: Flight and Maintenance Manual Amendment (only when exported to Italy)

Serial number applicability: Sailplanes models ASW 20 C for export to Italy only. (F.R.G. Type Certificate no.314).

Compliance: Prior to applying for Italian C. of A.

Reason: Revisions of the manuals for the purpose of the Type Approval in Italy.

Action: 1. Exchange the following pages in the respective glider manuals for pages with the same numbers but with the reference entry "T.N. no.32 dated 02.03.88" :-

Flight Manual, Page 12 - (Speed limits)
" " Page 22 - (Cockpit placards)
" " Page 39 - (Flying with water ballast)

Maintenance Manual, Page 55 - (Painting)
" " Page 58 - (Prescribed Inspections)
" " Page 67 - (Placards and labels)

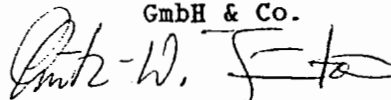

2. The accomplishment of this action must be documented on the Page 1 of the Flight and Maintenance Manual respectively (Index of Corrections).

Material & drawings: New placard according to P.22 of the Flight Manual and the mentioned new pages of the Flight and Maintenance Manuals.

Mass and C.G.: Not applicable.
