Issue date: 24.10.2023

Subject: Coloured painting

Applicability: ASG 32
ASG 32 EI
ASG 32 Mi

Material: As required

Drawings: None

Notes: Other colours can be included in these maintenance instructions if tested and approved by Alexander Schleicher in accordance with the specified procedure.

Actions

The surface colour of all fibre reinforced parts, which are exposed to sun radiation, must be painted either in:

- White
- RAL 2004 (Reinorange)
- RAL 2009 (Verkehrsorange)
- RAL 3020 (Verkehrsrot)
- RAL 5007 (Brilliantblau)
- RAL 5024 (Pastellblau)
- Grey metallic "Kia Titanium Silver", Brand Code: 922615
- Blue metallic "BMW Le Mans Blue", Brand Code: 194955

Exceptions are the areas for markings and registration, engine bay and cockpit.
